4. Representations and Warranties of Debtor. Debtor represents and warrants that:

a. This Agreement has been duly executed and delivered by Debtor and is a legal, valid and binding obligation of Debtor enforceable against Debtor in accordance with its terms, except as enforceability may be affected by bankruptcy and other laws affecting creditors' rights generally and equitable principles, and performance of this Agreement by Debtor does not conflict with or result in a breach of Debtor's organizational documents or any material agreement, law, regulation or order by which Debtor or its property may be bound.

b. The Intellectual Property Collateral is existing and is valid and enforceable.

c. Debtor is and will be and remain the sole and exclusive owner of the Intellectual Property Collateral, all of which is and will be free and clear of any liens, charges and encumbrances, except those in favor of Secured Party or to which Secured Party has consented in writing and the junior encumbrance in favor of Wells Fargo Bank, N.A. f. There are no material claims, judgments or settlements to be paid by Debtor or pending claims or litigation relating to the Intellectual Property Collateral.

g. No effective security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or any part of the Intellectual Property Collateral is on file or of record in any public office, except such as may have been filed by Debtor in favor of Secured Party.

h. When all appropriate filings have been made with the United States Patent and Trademark Office, and the United States Copyright Office, Secured Party will have a valid and continuing first priority lien on and first priority security interest in the Intellectual Property Collateral in which a security interest may be perfected under the laws of the United States or any state thereof, and all action necessary to protect and create such security interest in each such item of the Intellectual Property Collateral will have been duly taken.

5. Covenants of Debtor. Debtor agrees that:

a. Debtor will preserve and maintain all rights in the Intellectual Property Collateral, will diligently pursue any patent, trademark and copyright applications, and will timely and fully perform all Debtor's obligations in connection with the Intellectual Property Collateral.

b. Debtor will execute, procure, deliver, register and/or record all such documents and showings and take all further action as is necessary, including paying maintenance fees on Intellectual Property Collateral, or reasonably requested by Secured Party from time to time to evidence, register, record and/or perfect Secured Party's rights hereunder, including as respects additional Intellectual Property Collateral contemplated in paragraph 5.j. hereinbelow, or otherwise carry out the intent and purposes of this Agreement. Secured Party may, at its option, make any such recordation or filing in which case Debtor will reimburse Secured party's reasonable related costs promptly following receipt of an invoice therefor.

c. Debtor will take appropriate action to halt the infringement of any of the Intellectual Property Collateral if such infringement could have a material adverse effect on the value of the Intellectual Property Collateral or Debtor's ability to use the Intellectual Property Collateral, and Debtor will promptly notify Secured Party of such infringement or any other event which would have a material adverse effect on the value of the Intellectual Property Collateral.

d. Debtor will not amend, modify, terminate or waive any provisions of any other contract to which Debtor is a party in any manner which might materially adversely affect the Intellectual Property Collateral.

e. Debtor will not transfer or further encumber any interest in the Intellectual Property Collateral, except for non-exclusive licenses granted by Debtor in the ordinary course of business and the Permitted Encumbrance.

f. Debtor will pay promptly when due all taxes, assessments and governmental charges or levies imposed upon the Intellectual Property Collateral or in respect of the income or profits therefrom and all claims of any kind, except that no such charge need be paid if (i) such non-payment would not involve any danger of forfeiture or loss of any of the Intellectual Property Collateral or any interest therein and (ii) such charge is adequately reserved in accordance with and to the extent required by GAAP.

g. Debtor will promptly notify Secured Party of any changes in Debtor's principal office address, state of organization, name or organizational structure.

h. Upon reasonable notice (unless a default has occurred and is continuing, in which case no notice is necessary), Debtor will at all times afford Secured Party full and free access during normal business hours to all the books and records and correspondence of Debtor and Secured Party or its representatives may examine the same, take extracts therefrom and make photocopies thereof. Debtor agrees to provide Secured Party, at Debtor's cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto.

i. Debtor will keep and maintain adequate and complete records of the Intellectual Property Collateral, including a record of all payments received and all credits granted with respect to the Intellectual Property Collateral and all other dealings with respect to the Intellectual Property Collateral. Debtor will mark its books and records pertaining to the Intellectual Property Collateral to evidence this Agreement and the security interest granted hereby.

j. If prior to the time the Indebtedness has been paid in full Debtor obtains any rights to or interest in additional Intellectual Property Collateral, Debtor will promptly notify Secured Party thereof.

k. Debtor will not enter into any agreement which precludes Debtor's grant of a security interest to Secured Party in any Intellectual Property Collateral without Secured Party's prior written consent.

l. Promptly, upon Lender's request, Debtor will supply to Secured Party any source code related to any Intellectual Property Collateral, as the source code may be amended or updated from time to time, it being understood that Secured Party will not utilize or disseminate such source code except following a default and as contemplated in Section 8. Secured Party shall store Debtor's source code in a dual controlled vault and shall take such other actions requested by Debtor as are reasonably acceptable to Lender to safeguard any source code delivered to Secured Party hereunder.

6. Further Understandings. Debtor's rights as to the Intellectual Property Collateral are subject to the following further understandings:

b. This Agreement, and the security interest created hereunder, will terminate when (i) all Indebtedness has been fully paid and satisfied and (ii) there are no outstanding commitments for additional Indebtedness. Secured Party (without

recourse upon, or any warranty whatsoever by, Secured Party) will then execute and deliver to Debtor such documents and instruments evidencing the termination of the security interest hereunder as Debtor may reasonably request.

c. Debtor hereby irrevocably appoints Secured Party as Debtor's attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor, from time to time in Secured party's discretion, to take any action and to execute any instrument which Secured party may deem necessary or advisable to accomplish the purposes of this Agreement, including (i) to modify, in its sole discretion, this Agreement without first obtaining Debtor's approval of or signature to such modification by amending any Exhibit hereto to include reference to any Intellectual Property Collateral acquired by Debtor after the execution thereof or to delete any reference to any Intellectual Property Collateral in which Secured Party no longer has or claims any interest and (ii) to file, in its sole discretion, one or more financing or continuation statements and amendments thereto relative to any of the Intellectual Property Collateral without the signature of Debtor, where permitted by law.

h. Any other Event of Default under the Loan Agreement or a related document occurs.
